PROFESSIONAL EXPERIENCE

LAND INSIGHTS – 2025 ONWARDS

Urban Planner / Consultant

Max joined Land Insights in July 2025 and is involved in a range of planning projects. Max brings a strong foundation in local government planning roles, with proven problem-solving skills developed through the assessment of development proposals and strategic planning initiatives.

TOWN OF MOSMAN PARK – 2024-2025

Graduate Urban Planner

Max worked as a Graduate Urban Planner at the Town of Mosman Park, where he gained experience across both strategic and statutory planning. He assessed development applications and contributed to local policy development, including a Local Planning Policy for Consulting Rooms in Residential Areas. Max conducted research into sustainable design and planning practices from other states to inform policy improvements, and prepared council reports and executive memorandums on key reforms such as the Metropolitan Region Scheme and Significant Development Regulations. He played a key role in facilitated targeted community consultation including engagement with Aboriginal stakeholders and supported the Design Review Panel in evaluating development and strategic proposals.

CITY OF NEDLANDS – 2022-2024

Student Urban Planner

Max worked as a Student Urban Planner at the City of Nedlands, providing statutory planning services including development application assessments, deemed-to-comply checks, and subdivision management. He applied local and state planning frameworks to ensure development was undertaken in an orderly and proper fashion and assessed subdivision referrals from the DPLH. Max also contributed to local policy development and maintained strong stakeholder relationships throughout the planning process.
